

2021-11-15 – 2021-11-18

## **EffiSludge for LIFE, site visit n.11 at Skogn (NO)**

Attending: Francesco Ometto, SBF, Sweden  
Jörgen Ejlertsson, SBF, Sweden  
Anna Karlsson, SBF, Sweden  
Ida Andersson, SBF, Sweden  
Carina Alme, SBF, Sweden  
Marielle Gustafsson, SBF, Sweden  
Anders Bergvatten, SBF, Sweden  
Anders Granfors, SBF, Sweden  
Maxim Scrive, SBF, Sweden  
Nora Andersson, SBF, Sweden  
Pål Nyman, Biokraft, Norway  
Terje Hildmo, Biokraft, Norway  
Tor Gunnar Heggli, Biokraft, Norway  
Steinsli, Jon Henrik, Norske Skog, Norway

A study visit for Scandinavian Biogas personnel not directly involved into the EffiSludge project was organised with the scope to have a learning visit for the EffiSludge concept and the process at Skogn. For many, this was the first time at site.

ANGEDA
